

Public Speaking

Public speaking can be tough,
But do these things, it's easy enough.
Don't look up, don't look down,
Make eye-contact, all around.
Speak up clearly, make sure it's loud,
Stand up tall, be very proud.
Understand your topic well,
So you have lots of facts to tell.
Your voice matters more than you know
In order to help 'Mighty Oaks Grow'!

Albie, Hockley Primary School
